SPANISH FOR STAFF

¡ QUE RICO!

MODULE 6

In this four hour module, we cover vocabulary and phrases about food and dining! Learners will be able to discuss their favorite foods and not so favorites. We will cover reading and writing recipes, table settings and restaurant equipment. Learners will also be challenged to talk about things that happened yesterday and last year when we cover forming the past tenses in Spanish.

Modules are stand-alone units and learners do not have to take them in order although good understanding of verbs in the present tense in Spanish will be helpful with this module.
